Daniel, Elle's father, watches TV as he does his morning workout on the treadmill.

Ella continues.

BLE
And wouldn't someone who's had - thirty
years - throughout her lifetime, be
well aware of this rule?

Chutney doesn't answer. She just glares at Brooke.

CRIMEY (CONT'D)

(continuing)
And if you, in fact, were not washing
your hair, as I suspect you were not,
since your curls are still intact,
shouldn't you have heard the gunshot?

Chutney continues to glare.

BLE (CONT'D)

(continuing)
And if you in fact, heard the gunshot,
then Brooke Kindner couldn't have had
time to hide the gun before you got
downstairs. Race would soon find you
would've had to have found Mr. Vandine
with a gun in her hand to take your story
sound plausible. Isn't that right?

CRIMEY 928 [E1] 234
She's younger than I am. And she tell
you that? How could you feel if your
father married someone younger than you?

BLE none real young age?
You, however, had time to hide the gun,
didn't you, Chutney? After you shot your
father?

Brooke looks at Chutney in horror, realizing.

CRIMEY 929 [E1] 612
I didn't mean to shoot him -
(to Brooke) 1284
I meant to shoot you!

Pandemonium erupts. The gavel pounds.

ELLE
You know, a girl in my sorority, Tracy Marcinko, got a perm once. Even though we all told her not to - curls really weren't the right look for her.
(chance)
She didn't have your bone structure.

Chutney almost smiles.

ELLE (CONT'D)
(continuing)
But, thankfully, that same day, she entered the Pi Kapp wet t-shirt contest where she was completely boned down from head to toe.

Danovon shakes his head at her incompetence.

DA JUICE RAFFERTY (CUTS) 1 2 3
Objection. Why is this relevant?

ELLE
(to the judge)
I have a point. I promise.
JUDGE (CUT) 1 2 3 4 5
Then take it.

Elle looks at Chutney.

ELLE
Chutney, why is it that Tracy Marcinko's curls were ruined when she got boned down?
JUDGE (CUT) 1 2 3 4 5
CHUTNEY (CUT) 1 2 3 4
Because they got wet.

ELLE
That's right. Because isn't the first cardinal rule of perm maintenance that you are forbidden to wet your hair for at least twenty-four hours after getting a perm at the risk of de-activating the ammonium thiglycolate?

Chutney pales.

Your father? Was shot while you were in the shower?

Garret looks at Emmet:

Suren's she getting with this?

EMMET
Have a little faith.

ELLE
But you didn't hear the shot, because you were in the shower.

CHUTNEY
(Grunched)
Yes. I was washing my hair.

Elle's onto something, but not sure what.

ELLE
Miss Winshaw, can you tell us what you'd been doing earlier in the day?

CHUTNEY (1) a (2) b
I got up, went to Harlowe's, sent in the gov, got a pers, and came home.

I believe the witness has made it clear that she was in the shower.

People start to murmur. Donovan snickers. Sarah looks worried.

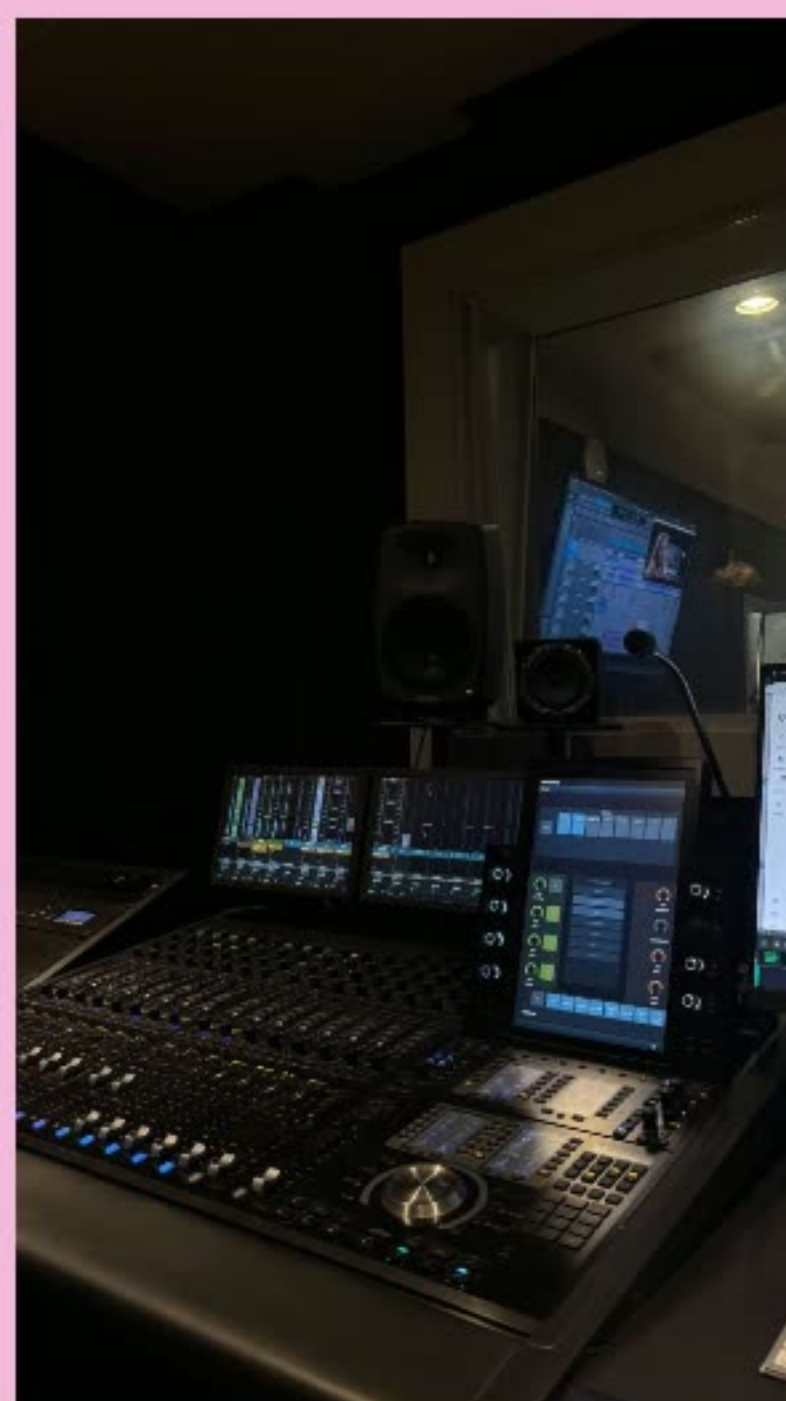

ELLE
Yes, Your Honor. Had you ever gotten a pers before, Miss Winshaw?

CHUTNEY
(confused)
Yes.

The beginnings of a smile start to spread across Elle's face.
